DV 32 - OEM DECOILER

DV 32

OEM

Our range of unwinders easily adapts to different types of reels, from cardboard to plastic and wood, supporting up to 100kg. Stable and equipped with a hose guiding system, they guarantee greater safety and efficiency.

Techmaplex unwinders are also suitable for winding loose hoses.

The DV version is supplied with manual cutting and, thanks to its low centre of gravity, guarantees excellent stability and ease of hose loading.

The OEM version, in addition to the advantages of the DV version, has an even more efficient and precise height adjustment, facilitating the insertion of the tube into the cutting machine. The motorised version is available on request.
