

INDUSTRIAL

Reliable solutions with large bore technology and full adaptability.

For over 30 years, Techmaflex has been meeting the needs of its customers with reliable, sustainable and innovative solutions. We have been supplying assembly solutions for numerous markets, including steam and cleaning hoses, food and beverage hoses, oil and gas hoses and large bore hoses such as wastewater, concrete, sewage, cooling, underwater, granulate transport and fish pump hoses.

APPLICATIONS

Public works

Agri-food

Oil and gas

INDUSTRIAL

Assembly line

IDM 2200

INDUSTRIAL DECOILER

Motor: 3 kW with speed control

Table diameter: 2200 mm

Power torque: 1200 N

CUTTING MACHINE

Capacity: 2" 6WS

Max. hose OD: 125 mm

Motor: 7.5 kW

S CUT 75 P

S PUSH 2000

INSERT PUSHING

Capacity:

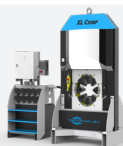

> 6WS: 3/4" - 2" with special tool

> 6WS: 2" - 4"

> Industrial: 6"

Insertion stroke: 300 mm

Max. flange: 250 mm

XL CRIMP 550-16

XL CRIMP 800-25

Capacity max.

16"

25"

Crimp range

130-470 mm

130-615 mm

Crimp force max.

550 t

800 t

Complete opening

660 mm

700 mm
